1st Door West of Grubbs & Hazelrigg.

Very well, enor, since you have now sworn secrecy to mo by the most solemn oath that can pass the llps of man, I will spenk to you openly.

"You have heard the story of that white man, or god, sometimes cailed Quetzal by the Indians, and sometimes Cucumatz, who came to these lands in the far past and civilized their recorder? me, I am to share hesitate

"When Quetzal sailed nway from his people of left the stone, that once he had worn upon his brow, of which this is the half, to be a treasure to the kings who came after him. Also he set Let me by the light mk Godl there is remained unbroken, for so long should the people be one and whole; but if it came about that it was cut or shat-tered, they should be divided with it. for only one point of it is fixed in your back. Do you think that anything is hooken. to be no more one people until again

the fragments were one stone.
"Now, when these king brethren quarrelled and parted, they sawed the

broken, Ignatio?"
"I cannot say, senor, my pain is great and I am being slowly crushed to death; but I believe that as yet my bones are whole. Fly, senor, I beg of you."
"I will not," he answered, sullenly. "I am going to roll this rock off you."
Then, lifting with all his great strength he strove to move the atone, but without avall, for it was beyond the power of mortal man to stir it, and all the while the black mass trembled above his head. token asunder, as you see.

"At length it came into the hands of the great Guatemoc, last of the Aztee emperors, who, before the Spanlards hung him, found means to send it to his son, from whom it has come

"Now of this stone, through all the ages it has never been lost, and it is known in the land from end to end; he who wears it for his life being called 'Keeper of the lleart,' and also 'Hope of "I must go for help," he said nresles. yes, senor," I answered; "go nelp; for I knew well that before sould return with any, more of roof would have fallen shutting me those who wait,' since it may happen in his day that the two halves may

come together again."
"And what if they do?"

the would return with any, more of the roof would have fallen shutting me in to perish by inclies, or perhaps crushing the life out of me in mercy. Then so says the legend, the Indians will once more be a mighty nation, and drive those who oppose them into the sea as the wind drives dust."

Now the sea or rose from his chair and walked up and down the room. "Do you believe all this?" he asked anddenly.

If ever you are in trouble with the Indians, take their chief man apart and show him this, and he will due for you if need be.

"Englishman, by this gift I have made you heir to the empire of the Aztes in the heart of every Indian, and the waster of the great brotherhood of Mexico. Molas, the messenger, will

"Englishman, by this gift I have add you heir to the empire of the Azsee in the heart of every Indian, and so sook as I zer will arough, I go to seek him who tears it, and why he has to seek him who tears it, and why he has to seek him who tears it, and why he has to seek him who tears it, and why he has to seek him who tears it, and why he has to seek him who tears it, and why he must part, sonor."

"Where has this man come from?" he asked eagerly.
"I do not know for certain." I answered, "but I think that he has come from the sacred city of the Indians, the hidden golden city which the Spaniards songht for but could not find, though it atill exists among the mountains and descrits of the far interior."

"Why do yon want to visit it, Ignation" the tunnel and vanished, and my cart sank as I saw him go, leaving me only creadful fate without a word of preveil.

'Doubtiess be is too frightened to nk," I thought, "and it is right that should fly as quickly as possible to a his life."

on the very edge grew a con there of which the long been washed almost bare by He saw it and an inspiration

n he was eresping care-and, dragging the trunk has he had gone assu-be heard another frag-gi full, and so he said in studed to fly.

"Why do yon want to visit it, Ignatio?"

"To understand that, senor, you must know my history." And I told him of the failure of the great plot and the part that I ind played in it, all of which I have already set ont, also of the secret hopes and ambitious of my life.

"Senor," I added, "though I am beaten I am not yet crushed, and I still desire to build up a great Indian empire. First, I will seek this man that the two halves of the heart may come together and the prophecy be fulfilled; then, if maybe, I will travel with him to the city, lieart of the World, careless whether I live or die, but determined, if there is need, to dle fighting for the fulfilment of the dream of an Indian empire—Christian, regenerated, and stretching from sea to sea—that I have followed all my days." which life."

low, as I was soon to learn, I was at the senor a bitter wrong in my ad, seeing that he never dreamed of srting me, but went to find a means where. As he told me afterwards, on he reached the mouth of the tunhe could think of no way by which hight be saved, since these mounts were uninhabited and it would a several hours to bring men from harro.

and stretching from sea to sea—that I have followed all my days."

"The dream, Ignatio? I'erhaps you name it well, yet few have such noble dreams. And now, who goes with you on this journey?"

"Who goes with me? Molas, as far as the temple where the Indian is. After that, if I proceed, no one."

Then said he, "the prospect of hunting for that city pleases me, for I am an adventurer to my heart. I am ready to start for Tobasco, and the Sacred City, and wherever else you like, so soon as you are fit to travel."

"Do yon swear that on the iteart, senor?" I asked.

"By all means; but I should prefer to give you my hand npon it." And he atretched ont his hand, which I took.

"Good. You awear on the Heart, and you give me your hand—the oath is perfect."

Bomething more than a month from the day when Senor Strickland and I made our compact to search for the secret city of the Indians, we found

Crus waiting for a ship to take us to Frontera.

At Vera Crus we purchased such articles as were necessary to our journey, not many, for we could not be sure

his right, then addressing the enptain, said in a low voice:
"There is some mistake, it is not usual that Indian dogs should sit at the same table with gentlemen."

The captain shrugged his shoulders and answered mildly:
"l'erhaps the sanor will settle the questleu with the English senor on my left. To me it does not matter; I am only a roor sailor and accustoned to only a poor sailor und accustomed to every sort of company. "Senor Strickland," said Don Jose,

"be so good as to order your servant to leave the cabin." "Senor "he answered, for his temper was quick, "I will see you in hell be-fore I do so."

fore I do so."

"Caramba," said the Mexican, laying a hand upon the knife in his belt, "you shall pay for that, Englishman."

"When and how you will, senor. I always pay my debts."

Then the captain broke in in n strange way. First he put his hund behind him, and drawing a large pislol from his pocket, laid it by his plate.

"Senors, both," he said in a soft voice and with a gentle snile. "I am loth lo

and with a gentle smile, "I nm loth lo, passengers, but though I am only a poor sailor it is my duty to see that there is no bloodshed on board this vessel.

Therefore, much us I regret it, I shall be obliged to shoot dead the first man who draws in vessels.

the pistol.

Now the Mexican secowled and Senor Strickland laughed outright, for it was a curious thing to hear a man with a face like a sheep growl and threaten like a wolf. Meanwhile, I had rlsen, for this insult was more than I could

who draws n weapon," and he cocked

ear.
"Senors," I said, speaking in Spanish. "as I see that my presence is un-welcome to the majority of those here, runch their mess; but it gives but welcome to the majority of those here. I hasten to withdraw myself. But before I go I wish to say something, not by way of boasting, but to justify my friend, the English gentleman, in his action on my behalf. However well born you may be, my descent is nobler and more ancient than yours, and therefore it should be no shame to you to sit at the table with me, and least of all should the Dou Jose Moreno, whose father is a murderer. a highway robber and a man without shinme, and whose mother was a half-breed mestiza slut, dare to be insolent to me who, as any Indian on board this ship can tell you, am a prince among my own people."

Now every eye was fixed on Don Jose, If its sallow complexion turned to a procession. A man! The masterwises.

words, and for n moment he sank back in his chair overcome with rage. Then

he sprang up once more, gripping at his knife.

"You dog!" he gasped, "let me but come at you and I'll cut your lying tongue out."
